

**Buying Lunch for Jesus!
or
The First “Ladies Aid Society”
Luke 8:1-3**

“Soon after that...”

A Ministry that moves from
one Woman to
a Being Ministered unto
by Several Women

Jesus and Women

First,
Jesus in particular and
Christianity in general
are the first
entities that place women
on a gracious scale

Second,
Jesus lives a life
that is a “microcosm”
Of
The “How to’s”
of proper Conduct with women
This basically means
demonstrating dignity and grace

Third,
Consider this list:
The woman Jesus just left...
Mary (times 2 or 3)
Joana, Susana
Syro-Phoenician woman
Woman caught in adultery
Woman at the well
Woman with a hemorrhage
Mary/Martha, etc...

Fourth,
The women presented
In Luke 8 are
shown as being generous
and gracious in return to Jesus
Therefore...
Men if you want to know
how to treat a woman or women...
watch Jesus.

Women have been
and will always be
a generous part of Christianity
for which we say...

THANK YOU!
